

Pathways to Recognition As An IIESL Member

There are two pathways to recognition of your qualifications:

- Through Accredited Engineering Academic Qualifications and a Competency Demonstration.
OR
- Through reciprocal memberships programs with other professional organizations.

Accredited Sri Lankan Qualifications

The IIESL accredited Sri Lankan Engineering Academic Qualifications as at 2010/10/09 are as follows:

- National Diploma in Technology (NDT) – Institute of Technology, University of Moratuwa, Moratuwa, Sri Lanka.
- National Diploma in Technology (NDT) - Hardy Senior Technical Institute, Ampara, Sri Lanka.
- Higher National Diploma in Engineering (HNDE) – Advanced Technological Institute of Sri Lanka Institute of Advanced Technological Education, Colombo, Sri Lanka
- National Diploma in Engineering Science (NDES) – Institute of Engineering Technology, Katunayake of National Apprenticeship and Industrial Training Authority, Sri Lanka.
- Diploma in Technology (Dip Tech) - The Open University of Sri Lanka.
- Part II Examination of Institution of Incorporated Engineers, Sri Lanka
- Any other qualifications or reciprocal program accredited by the Council of Management of Institution of Incorporated Engineers, Sri Lanka

Accredited Overseas Qualifications

These are the memberships of accredited overseas professional engineering bodies that are recognized through formal agreements with engineering accreditation bodies in other countries. These qualifications are readily recognizable through database listings of accredited programs.

- Full Technological Certificate (FTC) (Prior to 1991) - City & Guilds Institute, United Kingdom
- Full Technological Diploma (FTD) - City & Guilds Institute, United Kingdom
- Licentiate ship (LCGI) or Graduate ship (GCGI) of City & Guilds Institute, United Kingdom
- Full membership of CICES – Chartered Institution of Civil Engineering Surveyors, United Kingdom
- through the exclusive mutual membership route
- Any other qualifications or reciprocal program accredited by the Council of Management of Institution of Incorporated Engineers, Sri Lanka

The Application Forms Can Be Obtained From;

A. IIESL web site. ([Download IIESL Membership Application](#))

B. IIESL Secretariat located at No.27/B, Udumulla Road, Battaramulla. (Tel: +94 11 288 7734)

by sending a crossed cheque payable to Institution of Incorporated Engineers, Sri Lanka to the value Rs. 150.00 as the processing fee.

Note: All Web downloaded Applications shall be printed on A4 - 80 gsm white paper (single sided only).

The processing fee of Rs. 150.00 is charged at the time of lodging the application.

New Criterion

The Institution has introduced a new criterion for evaluating the prospective candidates for the membership categories 'Member' and 'Associate Member' with effect from 01st January 2011.

The new criterion is based on evaluating the competence of a prospective candidate against a set of identified competencies. The candidates are required to submit a Competency Demonstration Report (CDR) together with the application form. The instructions are available in the 'Guidelines for Membership (Version 00)' in pdf format on this webpage.

The new Application Form which will be effective from 01st January 2011 can also be downloaded from here. The current procedure will be continued up to June 2011 for the benefit of the candidates who will be submitting the current applications until the end of 2010.

INSTRUCTIONS TO THE APPLICANTS (Who Has Submitted Applications Until End Of 2010)

1. Duly perfected applications together with the following documents shall be delivered to the Institution or sent by registered post addressed to the Executive Secretary of the Institution.
